OUR ATTORNEYS

At Lorenzana Law Firm, P.C., different lawyers concentrate in different areas of the law—business collections, bankruptcy, taxation, licensing, litigation—but we work together so that we can address and resolve your problem across legal disciplines.

OUR CLIENTS

The Lorenzana Law Firm, P.C. represents new and established entrepreneurs, small businesses, partnerships, and corporations. We serve clients throughout Texas and nationally. Our attorneys also help resolve administrative, regulatory, collections, and immigration problems. We can provide practical legal solutions at reasonable rates. No job or legal project is too difficult. We strive to arrive at winnable solutions to even complex cases in business and tort litigation as well as employment cases and contract or business disputes. Our Administrative Law Attorneys have former experience as in-house general counsel in large telecommunications companies, and so we understand the client's perspective in outsourcing legal work to outside counsel.

Having **diverse legal professionals** developing solutions to legal problems is an important goal for the Lorenzana Law Firm. We strive to hire a more diverse legal staff, while also encouraging the use of more diverse talent to client cases. The variety of thought and the range of experiences that our heterogeneous work force offers result in better solutions, more creative approaches, and innovative responses to clients' problems.

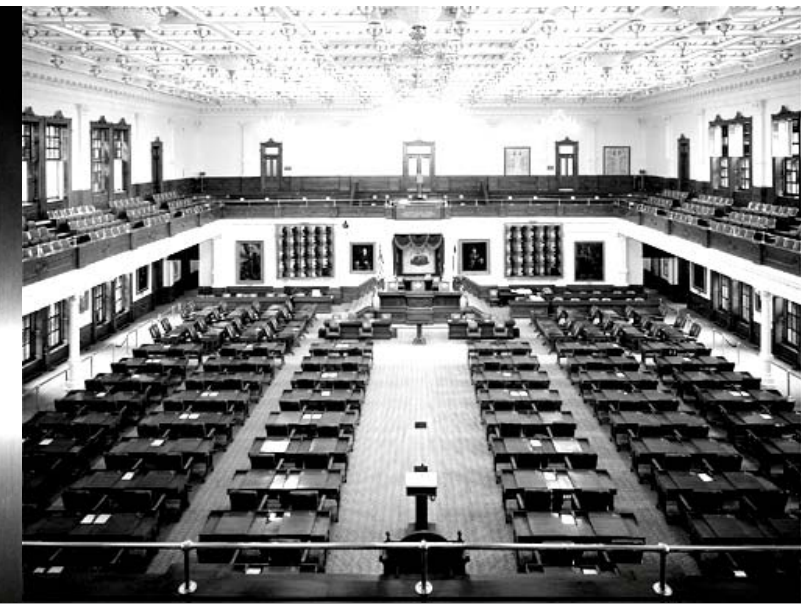

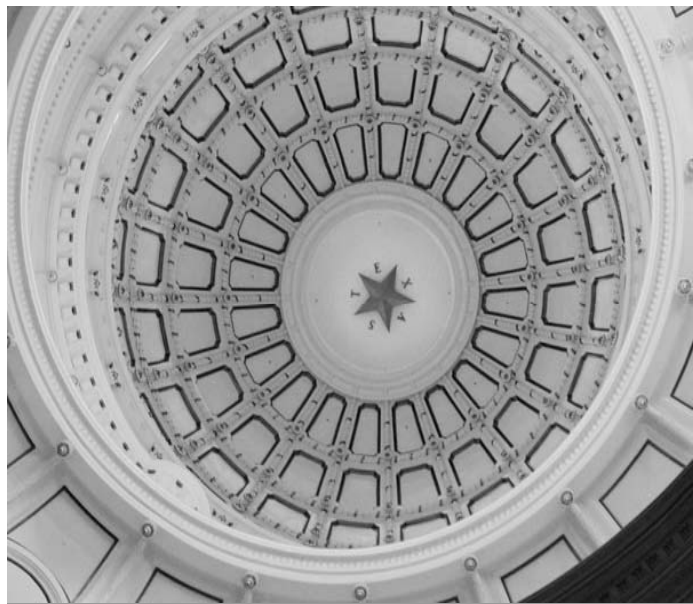

In today's economic crisis clients are demanding more information from their firms and more communication about work flow and progress. At Lorenzana Law Firm, P.C. **our small size gives us the ability to adapt to our clients' needs without the bureaucracy of a large organization.** Our aggressive client development, leveraged previous legal experience and contacts and affordability make us a better choice, and competitive with larger firms.

From business formation to sale or business litigation, the Texas business attorneys at Lorenzana Law Firm, P.C. can help your business achieve and maintain profitability, adapt to changing market or regulatory conditions, and keep your litigation risk at acceptable levels. Our **practical and flexible approach to your legal needs** is designed to reflect your immediate needs and your long-term objectives.
